

August 22, 2011

Dear Parents,

We are excited to enclose the schedule for our chapel services for the year! The children, staff and clergy wish to invite you to attend any and all of our services.

We will worship each morning beginning at 9:20 according to the schedule below. Our Wednesday services are a bit more formal with acolytes and music. On Thursday, we gather with our children who attend on Tuesday/Thursday only, to listen to a story and worship in a more intimate setting.

You will notice that the schedule also lists our plans for offering Birthday Blessings to our students and staff. Feel free to come forward for a Birthday Blessing as well! Join us often, won't you?
